

Logo book

Logos | Logo RuB

The RuB logo consists of custom letters and spacing, which combine with the triangular, repeating graphic element to create a unique and recognizable brand. This is the recommended and preferred version for all uses and applications.

MONOCHROMATICO

NEGATIVE

ALTERNATIVE VERSIONS

In order to keep the logo separate from any other graphic or text elements, a buffer zone was provided, indicating the minimum distance to be maintained between the logo itself and any other elements, corresponding to the height of the triangular element (Y).

Logos | Logo RuB

In order to reproduce the logo in a compliant manner and so that it does not lose its visual and design identity, the rules set forth here are intended to standardize its use to prevent it from being reproduced incorrectly.

BUFFER ZONE

BUFFER ZONE

In order to keep the logo separate from any other graphic or text elements, a buffer zone was provided, indicating the minimum distance to be maintained between the logo itself and any other elements, corresponding to the height of the triangular element (Y).

MINIMUM DIMENSIONS

RuB logo can be used up to a reduction of 35mm total width
