

LIMITED LIFETIME WARRANTY CERTIFICATE

Quality is the result of combining several focused initiatives, all with one common goal, that being Total Customer Satisfaction and we produce our valves by applying the highest standards of quality and making the most rigorous controls to guarantee that they are free from defects.

We put utmost care in the quality and performance of our products and guarantee conformity to the sales contract with our customer.

BONOMI INDUSTRIES SRL warrants its standard brass valves bearing **RuB** trademark, to be free from defects in material and workmanship for their entire life, save shorter time frames as shown in the specific product datasheet available in www.bonomiindustries.com. For any other product, **BONOMI INDUSTRIES SRL** warranty lasts for two years from the date marked on the product and remains limited to defects in material and workmanship.

Warranty coverage only applies to products purchased directly from either **BONOMI INDUSTRIES SRL** or its authorized distributors. In any event, the warranty is valid only if the installation, maintenance and use of the product complies with the applications and working conditions listed in **BONOMI INDUSTRIES SRL** instructions/specifications, product datasheet, catalogue or IMO. For any further information, see **BONOMI INDUSTRIES SRL** SALES TERMS AND CONDITIONS.
